

# Smart Charge Cart SC33

Ideal for larger classrooms with up to 33 devices, this cart is practical and easy on your budget. The slide-out shelves make placing and removing devices much easier and safer. The SC33 utilizes 2nd generation smart charge technology to ensure your devices are protected while being charged as quickly as possible. With this cart, you're bringing both mobility and security to your classroom.

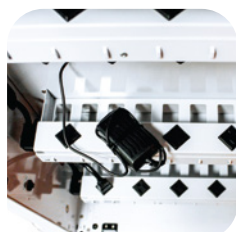

## Designed for: Chromebooks and Notebooks up to 14"

- 2nd Generation Smart charge technology protects devices and ensures the quickest charge
- Slide-out shelves make it easy to place and remove devices safely
- Power outlets configured to accommodate various A/C adapters
- Great cable and adapters management solution
- Small footprint taking up little valuable real-estate in the classroom

### Features:

- LED indicator
- 3 extra external power outlets
- 3-Point door locking system for security
- Instant-on charging
- Two-way steel locking system
